### *Back Room Artist*

*Donna Monroe*

In my pre-teen years paint by number sets just fascinated me. I just couldn't wait to see what all those filled in shapes would create. Later when my daughter brought home a flyer from a local rec center that offered oil painting, I signed up. It ended up being decorative painting on wood. That class helped me find other teachers of landscape. That was in the late 70's and I still enjoy landscapes and still lives. I have 'played' with watercolor and colored pencil but oil always finds its way back to me. I have studied with a number of well know artist including Sherrie McGraw, Dalhart Windberg, Bruce Peil, Xiang Shang, JoAnna Arnette, Quiang Huang, Jeff Legg and others.

I hope my art will transport the viewer into another place in time and open their eyes to the beauty God has given us.

*Oct Meeting Review*  
*Jeff Legg*

Thanks to Jeff Legg for the wonderful demo on Sun and a great workshop that followed. He gave a lot of great tips on a number of things including glazing and setting up a still life. We want to thank him for the painting he donated to the permanent collection. It was persimmons from the tree on the property. Be sure to look for it. **THANK YOU Jeff!!**
